

GENERAL PROVISIONS

General rules for construction of statutes, see Government Code § 9603.
 Giving effect to all provisions of statute, see Code of Civil Procedure § 1858.
 References to restatements and continuations, see Government Code § 9604.
 Requirements relating to amendment of statutes, see Const. Art. 4, § 9.

Law Review and Journal Commentaries

Reference statutes: Trap for the unwary.
 Scott A. Baxter, 30 McGeorge L.Rev. 562
 (1999).

§ 12.5. Authority to issue citation for violation of code to include authority to issue citation for violation of regulation

Whenever in any provision of this code authority is granted to issue a citation for a violation of any provision of this code, that authority also includes the authority to issue a citation for the violation of any regulation adopted pursuant to any provision of this code.

(Added by Stats.1986, c. 1379, § 1.)

Code of Regulations References

Board of Podiatric Medicine, citations and fines, see 16 Cal. Code of Regs. § 1399.696.
 Veterinary Medical Board, civil penalties for citation, see 16 Cal. Code of Regs. § 2043.

§ 13. "Materia medica" defined

The term "materia medica" as used in this code or in any initiative act referred to in this code, means those substances listed in the official United States Pharmacopoeia, the official Homeopathic Pharmacopoeia of the United States, the official United States Dispensatory, New and Nonofficial Remedies, or the National Formulary, or any supplement thereof, except substances covered by subdivision (a) of Section 4052 and Section 4057 of this code.

(Added by Stats.1961, c. 300, p. 1335, § 1.)

Historical and Statutory Notes

Former § 13, enacted by Stats.1937, c. 399, p. 1231, § 13, which required references made by the provisions of any other statute to any act repealed by this code to be construed as referring to the provisions of this code and to all

amendments and additions thereto, in so far as the provisions of this code constitute a restatement and continuation of the act repealed, was repealed by Stats.1941, c. 805, p. 2351, § 2.
