- Re: 1) Request of DAVID PRESCOTT for Inspection and/or Copying of Public Records
(Govt. Code §§6250 et seq.)
2) Petition to Define Practice Rights and to Amend, Repeal and/or Adopt
Scope of Practice Regulations, as Needed (Govt. Code §§11340.6 & 11340.7)

Dear Mr. Stiger:

I am writing to confirm our conversation of April 20, 2007 relative to the above-cited actions. We agreed that the Board of Chiropractic Examiners (BCE) would be granted extensions of time within which to act upon each of the referenced matters.

The BCE was granted an open extension of time within which to respond to my Public Records request. That is, no action is necessary by the BCE at this time. In the event I seek a response to the previously filed "request" I will notify the BCE of that fact and provide at least 15 days from the date of the mailing of the notice for the BCE to respond.

My understanding of Government Code section 11340.6 is that it requires the BCE to either deny the Petition to Define Practice Rights and to Amend, Repeal and/or Adopt Scope of Practice Regulations (Petition) on its merit within 30 days from the date of service of the Petition, or otherwise initiate the informal aspects of the requested review process. The Petition was served by mail (adding 5 days for the response time) on April 2, 2007. Therefore, the response is presently due May 8, 2007.

We agreed that the BCE would be, and it hereby is, granted a 30 day extension of time within which to act on the Petition and the response to the Petition is now due June 7, 2007. If additional time is needed, please feel free to contact me before the June 7, 2007 deadline.

I am sending e-mail copies of this letter to all members of the BCE, except Mr. Conran. I do not have an address for Mr. Conran and I therefore leave it to you to notify him as you deem necessary.

If you have any questions, please give me a call. Thank you for your courtesy and cooperation in this matter.

Sincerely

David Prescott
